

APPLICATION FOR N. M. RECYCLING AND ILLEGAL DUMPING FUNDS

In accordance with the Recycling and Illegal Dumping Act (NMSA 1978, 74-13-1, et seq.) this form has been developed by the New Mexico Environment Department for use when applying for grants, loans, or contracts from the Recycling and Illegal Dumping Fund.

Return completed applications to:

Attn: Toni J. Duggan, Grant Coordinator
 NMED Solid Waste Bureau
 1190 St. Francis Dr. #S 2050
 P.O. Box 26110
 Santa Fe, NM 87502

Additional information regarding this application or the Recycling and Illegal Dumping Fund can be obtained by contacting **Toni Duggan** at the New Mexico Environment Department, Solid Waste Bureau, **(505) 827-0559**.

PART I - For All Requests (please type or print)

- Applicant: _____
- Mailing Address: _____
- Contact Person: _____
- Contact Phone Number (505) _____
- Email address: _____

If applicant is a cooperative association, attach a copy of the association charter or Joint Powers Agreement and list the members of the association. Use a separate sheet if necessary.

- Person preparing application (if different than Contact Person) _____
- Position: _____ Phone Number (505) _____
- Email Address: _____

<u>Type of funding requested and amount</u> (Check all that apply)	<u>Type of Project</u> (Check all that apply)
_____ Grant \$ _____	_____ Illegal dumpsite abatement with recycling
_____ Loan \$ _____	_____ Illegal dumpsite abatement with disposal
_____ Contract \$ _____	_____ Equipment purchases
	_____ Recycling facility construction, operations
	_____ Tire bale or loose tire project
	_____ Purchase of tire derived products
	_____ Transportation

Total Grant Fund Request \$ _____

(If you checked illegal dumpsite abatement, also complete Part IV of this application.)

PART II - PROJECT DESCRIPTION

1. Give a detailed description of proposed use of the recycling and illegal dumping funds.
2. Describe the need for this project?
3. What is the population affected by this project? _____
4. Were there alternative solutions considered to address the goals of this project and why were they not chosen?
5. Will this project develop or expand markets for recycled scrap tires? Yes No
(If "yes", please explain and identify the markets.)
6. If the requesting funds are for tire recycling facility equipment purchases, construction and operation, please provide the following information:
 - a. Describe the current program(s) for handling scrap tires in the area to be served by this project.
 - b. Name and location of nearest tire recycling facility or operation.
7. If the requested funds are for the purchase of tire derived products, please provide the following information:
 - a. Location(s) where the product(s) will be used:
 - b. Estimated unit cost of recycled tire product (e.g., \$\$/lb. or \$\$/Ton)
 - c. Estimated total cost of your purchase:
 - d. Estimated number or weight of waste tires contained in the quantity of the product being purchased:
8. If this grant cannot be fully funded, what costs can be eliminated/reduced or what alternative financing is available to assure completion of the project?

*List the types of equipment and "other" items requested.

**List other funding sources, including in-kind matches.

PART IV - FOR ABATEMENT CONTRACTS ONLY

On a separate document answer each of the following questions for each illegal dump site that will be abated through this proposal. Also, give the name, exact location, and owner of the property, if known.

1. How many tons of waste materials are in the illegal dumpsite?
2. What is the population within a five-mile radius of the illegal dumpsite?
3. What schools, hospitals, businesses, and industries are within a five-mile radius of the illegal dumpsite?
4. What is the distance to the nearest river, stream, and arroyo?
5. What fire hazard or vector problems does the illegal dumpsite pose?
6. How much precipitation (inches / year) does the local area receive?
7. Is the illegal dumpsite active? (i.e., is it still growing?)
8. Is there pending litigation or other contingent liabilities that have a bearing on this project or application?
9. Have all parcels of land and rights-of-way necessary for completion of this project been purchased, leased, or otherwise acquired by the applicant? ____ Yes ____ No
(If "no", explain)
12. What action will be taken (e.g. signs, fencing, gate locks, etc.) to prevent the recurrence of illegal dumping at the site.

PART V: CERTIFICATION

I, the undersigned, do hereby certify that I am an authorized agent of the applicant. (Authorized agent must be a Mayor; City or County Manager; Chairman of County Commission; or President, Chairman or Executive Director of a Cooperative Association or Solid Waste Authority.)

If a grant is awarded as a result of this application, we will comply with all applicable local, state, and federal regulations and requirements.

To the best of my knowledge and belief, the information contained in this application is accurate and complete.
